

Gentlemen,

Today is my last day engaged by Skyblue on the Carillion-telent JV, but before I leave I would like to congratulate and thank Skyblue for the professional and friendly manner in which my employment has been carried out, in particular the thoroughly dependably, friendly and efficient Victoria Thorburn.

May I congratulate you on a very well run ship, which has surpassed in quality and service all my previous dealing with recruitment companies in both seeking employees and employment. I soon hope to be in a position where I will be engaging a recruitment company, and I would have no hesitation in making an appointing or recommending Skyblue to industry colleagues based on the service I have been provided with.

Many thanks and best wishes for the future.

Kind regards

Kieron Collins
